

Work In Progress

Work in Progress :

- JEP code review has been completed : Refer <https://github.com/openjdk/jdk/pull/2403>. The JEP has been INTEGRATED into JDK mainline on 15 March 2021.
- **Work on Project Lanai is complete and no new work will happen in lanai-dev community.**
- Further bug fixing will now be done in 2d-dev/awt-dev communities.
